## Adobe Creative Cloud for teams 2024

ACCREDITED SALES SPECIALIST

Creative Cloud for teams

## New in Creative Cloud 2024.

Welcome to the future of creativity. With the magic of generative AI powered by Adobe Firefly and the precision of Creative Cloud apps, you can create anything you can imagine faster and better than ever. Get 20+ creative apps, including Photoshop and Acrobat Pro, and generative AI features powered by Adobe Firefly, plus admin tools, 24x7 tech support, business integrations, team libraries, and more. Only in Creative Cloud.

## **Unleash limitless creativity and collaboration to power your business's success.**

Adobe Creative Cloud for teams gives you the world's best creative apps and services in a single, secure, integrated platform. Now your creative and marketing teams can design incredible content using professional-grade apps along with easy-to-use design tools like Adobe Express, boost creative productivity with generative AI features powered by Adobe Firefly, collaborate seamlessly with each other, and achieve faster success with easy access to amazing creative assets and intuitive learning content. Plus, you can count on simplified license management over your software and assets to help your team stay focused on creating great work

## **Everything you need to fuel your organization's creativity and productivity.**

Get the most comprehensive collection of creative apps and services to accelerate your business's workflows and elevate their creativity.

## **Create for virtually any medium with 20+ apps.**

Design the highest quality work for print, web, video, mobile, and immersive media using the latest versions of the Creative Cloud apps — ideal for any user in your organization, from beginner to advanced. Use generative AI features powered by Adobe Firefly in Adobe Photoshop and Adobe Illustrator to quickly make edits and variations of your designs using simple text prompts. With Adobe Express, you can take existing assets and create more types of content using templates designed for most mediums, or start projects from scratch using text prompts.

## **Discover easy ways to work better together.**

Fast-track feedback and approvals by sending links to your design files and get comments right inside your Creative Cloud apps—anyone can view and comment via the web, even if they don't have a paid Creative Cloud membership. Easily view the version history of a cloud document or Creative Cloud file and restore previous versions for up to 180 days. Get 1TB of storage per user, with the option to pool storage for the business for greater flexibility. And work more productively with the apps you use every day thanks to integration with Microsoft Teams, Microsoft Power BI, Confluence, Slack, and other key business tools.

## **Maintain brand consistency.**

Help ensure a consistent look and feel across all your business assets. Share colors, images, and other elements of your creative system, and control editing across apps and devices using Creative

Cloud Libraries. Libraries are available inside your Creative Cloud apps as well as Microsoft Word, PowerPoint, Gmail, and Google Workspace. Use the API to fully integrate Creative Cloud Libraries into your design workflows and get flexible access to your creative elements and designs. Team libraries are supercharged by pooled cloud storage with 1TB per user.

### **Access Adobe Stock assets at your fingertips.**

Find the perfect high-res, royalty-free stock image right inside your Creative Cloud apps, and share licensed images with your team. Pro Edition plans include unlimited access to Adobe Stock standard assets.\*

### **Get the assets, resources, and help you need.**

Get advanced technical support plus 1:1 Expert Sessions to help your team master new creative skills and workflows. And access Help content online anytime, or call a dedicated support line with local language assistance during business hours. Build a best-in-class creative team with the integrated Adobe Talent job posting service. Discover creative inspiration on Behance, and learn new techniques using interactive tutorials.

### **Do more with Adobe Fonts and Adobe Color.**

Adobe Fonts is the easiest way to bring great type into your creative workflow across all apps and across your team. Easily search and browse the complete library of fonts in desktop applications or on the web for endless typographic inspiration. Use Adobe Color to create and discover unique, accessible color themes to use in all your creative projects.

### **Control your company's assets.**

Maintain security with sharing controls and user permissions. Plus, Creative Cloud's asset retention features give you peace of mind that assets and libraries are protected when there are staffing changes.

### **Easily manage licenses.**

Deploy apps and updates centrally, or let users self-install. Add or reassign licenses anytime with just a few clicks in a web-based portal.

### **Get consolidated purchasing and volume discounts.**

Save big with volume discounts, extend your license term up to three years to keep your budget predictable, and add more licenses at the discounted price
