## Wondershare MobileTrans

**wondershare**

**We at Wondershare create an array of simple software solutions for life's everyday challenges. Hence our motto: Bring simple to life.**

Since our inception in 2003, we've been serving millions of customers in over 150 countries with a commitment to providing software that brings simplicity to people's lives. Today, we are a key member of the National Planning Software Enterprises of China and have emerged as a global leader in application software development, with offices in Shenzhen, Tokyo and Vancouver. We've been honored three consecutive times in Deloitte's "Technology Fast 50 China" list of fastest growing enterprises, and twice by Forbes in their "China Potential Enterprises".

All throughout our growth path, however, we've never let ourselves forget who matters the most - the customer.

Our global workforce are differentiated by their imagination, knowledge and experience, across industries and technologies. And they are all committed to working closely with users to create outstanding software experiences. Whether that be with multimedia, utility, office or mobile applications.
