Zoom One -tuoteperhe

zoom

Zoom is the leader in modern enterprise video communications, with an easy, reliable cloud platform for video and audio conferencing, collaboration, chat, and webinars across mobile devices, desktops, telephones, and room systems. Zoom Rooms is the original software-based conference room solution used around the world in board, conference, huddle, and training rooms, as well as executive offices and classrooms. Founded in 2011,

Zoom helps bring teams together to collaborate in a frictionless video environment to get more done. This video-first unified communications platform provides video meetings, voice, webinars, and chat across desktops, phones, mobile devices, and conference rooms. Zoom creates elevated experiences with leading business app integrations and developer tools for customized workflows.

All in one

zoom

One solution for meetings, chat, whiteboard, phone, and more

Make connections that matter with an all-in-one communications solution

Zoom One bundles everything you need to communicate and collaborate with internal and external teams. Reserve workspaces or rooms, face-to-face interactions over video, place a call from your mobile device, brainstorm on a whiteboard, and send files over chat - all from a single solution. Its intuitive user experience makes it easy to get users onboarded and simplifies management. Secure and scalable, Zoom One solutions can safely work from anywhere and grow to support your needs. With over 1,500 apps and integrations, you can seamlessly integrate into your existing business processes and reduce app fatigue.

- **Simple:** We make it easy for you to purchase, get started, and use. With smart features and an intuitive user experience, you'll save time, reduce costs, and

increase productivity.

- **Flexible:** Zoom One gives you multiple plans to choose from so you can support your unique needs. It's also extendable with options for Zoom Webinars, Rooms, Events as well as additional calling plans, integrations, hardware, and more.
- **Transparent:** Our inclusive bundles come without hidden fees or the need for a bunch of add-ons. Add users as needed and benefit from new features monthly.

“There are other providers who offer similar solutions, but none of them are integrated with each other as Zoom, and more secure as Zoom. With Zoom, everything works together. For us, as a fast-growing company located in different countries, this gives us much more flexibility.” Peter Pacuch, Senior Manager, IT Operations, Conexiom
